

## Upcoming Mandarin III Summer Assignment

All of you should have total 77 character flashcards. These 77 character flashcards will be checked again when you come back in September.

You need to apply one compound on the back of each character flashcard and build one sentence in Chinese characters everyday on a new composition notebook. We will keep using the notebook next academic year. You need to start from #1 until finishing all of the character flashcards. You are allowed to have one English word or pinyin if you don't know how to write it in Chinese character for each sentence you'll build.

For examples:

#1 character flashcard:

Front	back
	

You only need to choose one compound out of two, and build one sentence a day.

The compounds are 今天 & 今后

我今天要去游泳。

if you don't know how to write **swimming** in Chinese characters, you can write

我今天要去 **swimming**.

Or

我今天要去 yóuyǒng.

If you still have questions about your summer homework, you may email Ms. Chau at <ammychau@gmail.com> any time.

You may want to purchase the following materials in the summer when they are on sale:

- 300 index cards (3" x 5") for making Chinese character flashcards [It will be better if you could purchase a different color than the index cards you had for Mandarin II to separate the levels, but not required.]
- one composition notebook
- a lot of loose-leaf paper
- one 2 pocket folder
- one 1 inch or 1.5 inches three ring binder [larger than 1.5 inches won't be accepted]
- dividers

☺ Have a happy & safe summer ☺
